4 families homeless after Kinmount fire

A spectacular blaze Saturday in Kinmount has left four families homeless and destroyed a community landmark estimated to be at least one hundred years old.

The fire, in the former Kinmount school on Highway 503, just east of the intersection with Highway 121, was reported to the Somerville Fire Department at approximately 3 p.m. According to the fire chief, Reg McCluney, the brick three story building was engulfed with flames when firefighters arrived on the scene.

The chief called in two other Somerville Township fire brigades and one from Galway Township to assist in fighting the inferno.

"It was a good thing there was nobody in the building at the time of the fire, or that it didn't happen in the middle of the night," the chief commented, noting that all four families were out of the building when the blaze broke out. The building, which belongs to Norm McMaster of Norland, had been divided into four apartments, providing accommodation for 12 individuals.

The intensity of the blaze caused firefighters some concern as they battled the flames. Windows in the house across the street cracked when the fire reached its peak and a telephone pole, also located across the street from the

fire, burst into flames as a result of the heat radiation. Chief McCluney said firefighters were forced to turn their hoses on the adjacent property to protect the buildings.

The firemen drew water from the Burnt River, using two lines to supply the firefighters. Two tanker trucks also moved in a shuttle service to supply the firemen.

The location of the building created problems for the firefighters. The highly visible location drew a large number of spectators which hampered the efforts of the firemen. The traffic on the highway had to be re-routed

(more on page 3)

Burn victim dies

The victim of a fire east of Haliburton Village has died as a result of second degree burns to 95% of her body. 24 year old Gloria Martins of Brampton suffered the burns December 30 when attempting to flee a cottage engulfed in flames on Long Lake in Dudley Township.

Martins had been staying at the cottage with 23 year old Michael Tibbitts, also of Brampton. After arriving at the cottage late in the evening and lighting a Franklin fireplace, the two retired for the evening. They were awakened in the middle of the night to

discover flames entering the bedroom.

In attempting to flee the burning building, Martins fell and had to be pulled from the structure by Tibbitts. He helped her to a neighbouring cottage then ran through deep snow for a mile to call for assistance. Tibbitts had suffered burns to his hands.

The injured woman was taken to Haliburton Hospital and then, by air ambulance, to the Wellesley Hospital in Toronto. She died in the early morning hours of December 31.

Constable Bill Clendenn-

ing and a member of the Ontario Fire Marshal's staff are investigating the fatality.

Frostbite

An Oshawa man is expected to lose both his hands and a number of toes after suffering a severe case of frostbite on the night of December 26.

According to the OPP, 51 year old John Michael McDonald had been riding a snowmobile which had stalled and then failed to start. The man followed the

(more on page 6)

A blackened burned out shell is all that remains of the former Kinmount School destroyed Saturday by fire. The building, which had been converted to apartments, was the home of four families.

Mushers return to Minden's Main Street

Mushers and their teams from throughout Ontario, Quebec and the northern United States are expected to converge on Minden this weekend for the second annual sled dog derby. In addition to a record number of participants who are expected, organizers believe this year's event will also draw a large crowd of spectators from various points in southern Ontario.

This is the second year for the derby, a brain-child of Steve and Val Loughheed of Snowdon Township. The couple have been involved in sled dog racing for a number of years and maintain a kennel of Huskies ranging in number from 25 to 35 animals. Each winter they travelled to races in various parts of the province and the U.S. spending much of their time on the road. Some two years ago they decided to organize a race in the Minden area because they felt the event would be an attraction, and because they wanted to attend a race without having to do all the travelling.

Last year they saw their dream become a reality as over 50 dog teams came to Minden to take part in the first race. Many of those individuals are expected back this

year, along with numerous new entries. Unfortunately neither Steve nor Val will be among those competing in this year's event. In addition to the many details involved in the organization of the two days of racing, the couple spent the summer building a new home. The construction work, and recent move to the home, provided little time for the training of their teams and so rather than enter with dogs that are not ready for the rigors of the contest, the Loughheeds have decided to put all their efforts into organizing with the hope of being active participants at next year's event.

The races this year will follow the format established with the first event. The racers will be competing in two classes, four and eight dog. The teams will follow courses of four and eight miles respectively, starting and ending on the Main Street of Minden. The course will take the teams down the Main Street, across the bridge and north on the Bobcaygeon Road to just past Dr. Purc's office.

From there the teams head cross country, in behind the arena then west past the ball diamond and out the Kernohan gravel pit road toward Bob Lake. The eight

mile course will take the racers all the way to the lake, while the four dog racers will turn at an interim point, both groups retracing their course to end on the community's Main Street.

The trails have been groomed by the Haliburton County Snowmobile Association to provide a suitable track for them to run on. But that does not mean the course does not present a challenge to the racers. In fact, many of them found the Minden course to be one of the most rigorous on the racing circuit, with numerous hills testing the skill and staying power of both driver and dogs.

The Main Street start/finish line will provide an excellent viewing area for the spectators. The starting chute stretches the entire length of the street, giving spectators a chance to watch the dogs and drivers as they streak from the starting line and to also see the somewhat less energetic team return after completing the circuit.

The teams leave at one minute intervals, racing

1985: The year in review

1985 was a year filled with many interesting and significant events. Some had profound affects on our community, others were humorous, touching or tragic. They all came together on the pages of The Times to create a mosaic reflecting the various facets of this community. The following review encapsulates some of the major highlights of the year gone by, provide a quick, over the shoulder glance at 12 months rapidly fading from view.

January

- The Board of Directors of the Kanawa International Canoe Museum announces the world class collection of canoes and native watercraft will be shared between Port Hope and Haliburton.

- Following a presentation by a committee of the Haliburton County Chamber of Commerce, Haliburton County is accepted for assistance under the Local Employment Assistance and Development Program (LEAD).

- The first annual Minden Sled Dog Derby proves to be an unqualified success as over fifty teams take part in the two day event under ideal conditions.

- Anson, Hindon and Minden Council appoints Brian Sisson to the newly created position of Community Service Co-ordinator.

- Wynn Newbury-Lahay is the guest of honour at a banquet as local politicians and friends pay tribute to her many years of service as Haliburton County clerk-treasurer. Mrs. Newbury was named Highlander of the year for 1984.

- Vanessa Margaret, daughter of Brenda and Curtis Eastmure of Stanhope Township, is the first baby born in Haliburton County in 1985. Vanessa was born on January 23, at 10:35 p.m. in Haliburton Hospital.

- The Scenic Highway 35 Association is formed to promote attractions along the highway corridor from Minden to Dorset.

- The Minden Monarch Juveniles complete their regular season with a 20 - 2 record.

- A myriad of events attracted people from throughout the community to the annual Minden Kinsmen Winter Carnival. Despite chilly temperatures, enthusiasm was high during the three day celebration. Snowmobile races, hockey games, a curling bonspiel, sports car races, log sawing contests, a figure skating extravaganza and the crowning of Laurie Rendall as the Senior Winter Carnival Queen were just a few of the activities.

- Almost \$30,000 is raised for the Easter Seal Society as 194 riders take part in the annual Snowarama sponsored by the Rotary Clubs of Haliburton and Minden.

February

- Anson, Hindon and Minden Reeve Lyle McKnight is hospitalized on February 7 after a stroke. It would be nearly six months before the reeve would be able to return to his municipal duties.

- Two platoons of Queen's Own Rifles stage mock battles in bushland east of Lochlin.

- Many family members and friends attend a party at Hyland Crest to mark Ellen Knight's 100th birthday celebration.

- Minden is selected as the destination of the Ride For Sight and the community begins to make preparations for a visit by 2000 motorcyclists in June.

- Stanhope Township Council officially adopts the Stanhope Municipal Airport Plan. While the plan calls for an upgrading of the facility rather than an expansion, there is still opposition to the proposal among many residents because of the \$850,000 price tag and the possibility of increased air traffic.

- Anson, Hindon and Minden Council protests the cut-backs in the Katimavik program.

- Eunice Warder is honoured by her fellow teachers, education officials, friends and family for her dedicated service. A teacher in Haliburton County since 1962, Mrs. Warder was instrumental in the establishment of special education programs.

- A moose named Lucy captures the attention of the community as she is transferred from a farm near Sebright to Hindon Township after she had spent most of the winter living with a herd of cattle. Lucy died shortly after the transfer was made by MNR workers and a later autopsy suggested Black Leg Disease was the cause of death.

- Fifteen year old David Schell of Minden captures top honours in the amateur snowmobile finals in the Grand Prix St. Laurent at Valcourt, Quebec.

- Kathryn Daniels becomes the second resident of Hyland Crest to celebrate her 100th birthday this month.

- Haliburton County Council ratifies a two year contract with county road employees calling for wage increases averaging 6.6% in 1985 and 6.2% in 1986.

- After placing an order for a \$42,000 mini pumper, Stanhope Council is informed the manufacturer, King Seagrave Limited, has gone into receivership.

March

- March comes in like a lion as the County experiences one of the worst storms in years. A heavy snowfall and strong winds combine to disrupt postal service, close schools and businesses for two days, but fortunately there is no increase in traffic accidents and few interruptions in hydro service.

- In keeping with a trend across the country, Anson, Hindon and Minden Council bans smoking at all regular council meetings.

- The Minden Monarch Juveniles advance to the Ontario semi-finals after defeating Erin in the final game of a best of five quarter-final series.

- Sales of wine and liquor increase and at least one local tavern is forced to close as Brewers Retail outlets are locked due to a province-wide strike.

- Steven Stewart of Minden, driving for the Prentice-Berry Race Team, places sixth at the World Series Pro Snowcross in Owen Sound.

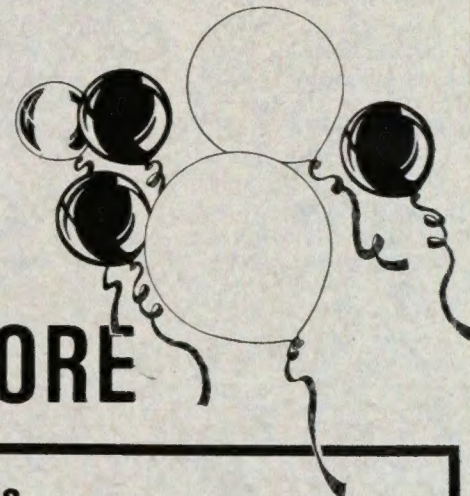

- County Council chambers are packed as supporters and opponents of the Ingoldsby bridge hear council approve the construction of a new structure. The Roads Committee awards the contract to R. T. Grills Construction. The Omemee based company submitted a bid of \$399,877.

- County Council also approves the 1985 budget of \$1,146,475, a slight increase over the previous year.

- Anson, Hindon and Minden Council approves in principle the construction of a health spa and recreational facility on Kashagawigamog Lake as proposed by Wren Blair, one of the owners of the PineStone Inn and Country Club.

Fire destroys landmark

(from page one)

around the blaze.

Debris from the fire was scattered over a wide area with pieces of shingles being found in a number of parts of the community.

Fire Chief McCluney said the age of the structure had an impact on the intensity of the blaze.

The three fire departments which assisted the Somerville brigade withdrew from the scene of the blaze at about 7:30 p.m. The local firefighters remained until late into the night, keeping the smouldering ruins dampened to prevent a rekindling of the fire. The department has been called back to the scene on a number of occasions since then to quell minor fires which have restarted.

Concern has been expressed about the safety of the walls which have been left standing, some at dangerous angles. The chief suggested that the building should be leveled as quickly as possible to protect the public.

There were no injuries in the blaze and no cause for

the fire has been determined.

Those families which lost all their possessions include: Bruce and Joan Bowman and daughter; Susan Cowan and daughter; Mark and Karen Newman and daughter; and Ken and

Dawn Brierley and son and daughter.

The community's response to the loss experienced by the four families has been immediate and overwhelming. See accompanying story for details.

Community opens heart to fire victims

"The response has been fabulous, just fabulous," commented Don Ragan Tuesday afternoon as he spoke about the outpouring of community concern and goods following a fire in Kinmount which left four families homeless.

Don is one of a number of volunteers in Kinmount who immediately swung into action to collect items for the families who lost everything in the Saturday afternoon blaze. The response has been so good, in fact, that the organizers have requested that no more clothes be brought in. "The old train station is full," Ragan commented. "We've got enough clothes to open a couple of used clothing stores."

He said the local group had considered sending some to assist a family in Lindsay who had recently lost their home to fire, only to learn that clothing was on its way north from the collection which followed that blaze.

"What we do need now is accommodation for three of the families," Ragan commented. He noted that one family has found a place to live with relatives, but the other three are in need of places to stay.

As well, the families will need furniture and appliances once they are able to find accommodation. Ragan emphasised that there is little space to store furniture and appliances at this time, so those individuals with items to offer should call him, and not bring them to Kinmount, at the moment. (Don Ragan can be reached by calling 488-2735).

A special trust fund has also been established for the families with the Canadian Imperial Bank of Commerce Branch in Kinmount. The donations can be sent to the bank with cheques being made out to Kinmount Fire Disaster. The Kinmount CIBC branch is open for business Monday, Thursday and Friday.

"It is simply amazing the response which has come in," Ragan commented. "It's a real community effort."

Mushers

(from page one)

against the clock. There will be two heats in each class with the Saturday races beginning at 11 a.m. and the Sunday events beginning shortly after noon. In both the four and eight dog classes, the best total time of the two days will determine the winning teams.

This year participants will find the prize money has almost doubled. Some \$2,000 will be up for grabs during the weekend. "We are able to offer a bigger prize this year," Steve explained, "because a major manufacturer of dog food, Martin Feed Mills of Elmira, has provided sponsorship. Their participation means the race will be even more exciting." Martin will also be providing product samples for all race participants.

This year the Minden Sled Dog Derby will also be held under the sanctioning of the International Sled Dog Racing Association, (ISDRA). This government body is recognized world-wide as the one setting the standards in sled dog racing. While the ISDRA sanctioning will not mean any major changes in the way the races are run, last year's event was run by ISDRA rules but without official sanctioning, it will mean that participants will be gaining points toward an over-all seasonal championship.

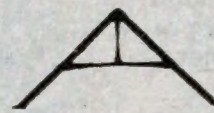

One other popular feature which is returning this year is the kid and mutt race in which a single child with dog and sled sprint from one end of the Main Street to the other. The organizers have extended an invitation to local children, and their dogs, to take part in the race. Harness and a sled will be available on race day. Owners of pets are requested not to bring their animals to the Main Street on the day of the race until the Kid and Mutt race begins. It is slated to start at 2 p.m. on Saturday.

"So, with the abundance of snow, enthusiasm of drivers and interest of spectators, this year's sled dog derby should be even more exciting and well attended than the first edition," Steve Loughheed concluded. "Even though we're not going to be racing, we're looking forward to an exciting time."

Traffic change

Drivers will find travelling through Minden's downtown area a little difficult this weekend. The organizers of the annual sled dog derby have requested permission to close Main Street from Vasey's Real Estate Office to the Canadian Imperial Bank of Commerce corner. This closing will facilitate the start chute for the derby as well as the finish line.

By closing off the traffic, spectators will also have a safe, unobstructed view of the activities taking place in relation to the race. Downtown traffic will be routed around Main Street via Milne Street. Main Street will be closed from 8 a.m. until the races are completed on both days.

In addition, the eastern lane of the bridge will be closed to traffic during race times. Traffic marshalls will be on hand throughout the day to assist in the movement of traffic through this area.

Parking on the east side of the Bobcaygeon Road, north of the bridge will also be closed to provide space for a track for the teams heading in and out of town.

The organizers of the derby are aware these changes will create some inconveniences for drivers, but ask the community to bear with them during this period and drive with extra care through the downtown area.

editorial

A community responds

Once again the community spirit, which is so much a part of life in Canada, has made itself evident. During the past weekend, four families in Kinmount saw most of their worldly possessions and their homes disappear in flames. The impact of the tragedy was tempered somewhat by the news that no one was injured in the blaze.

Nonetheless, within a matter of hours, the community of Kinmount and surrounding area had rallied to the support of the families. Organizers found themselves in the middle of an avalanche of clothing for the fire victims. The outpouring was so great that within a short time the request had to go out for an end to the gifts of clothing. They just couldn't handle any more.

In conjunction with this drive, has been the creation of a cash donation account at a local bank, and a search has begun for accommodation and furnishings for the victims.

This kind of generosity and concern speaks well for a world seemingly engrossed with violent crime, terrorism, and an endless arms race. No, despite what you see on the evening news or read in the daily papers, our world is not populated by crazed individuals bent on destruction. Granted, these are the few who seem to receive all the media attention, but, as we have seen during the past few days, there are many more individuals who truly care about the well-being of their fellow man. To them we throw our first bouquet of the new year. May many more follow your fine example.

Several years ago the County of Victoria established a community emergency fund to assist victims of calamities such as the fire this past weekend. The fund, as we understand it, was not meant to eliminate the public spirited response from a particular community, but rather to provide a ready source of capital for immediate basic needs. At the time the fund was being created, there were tentative moves made to have Haliburton County included in this effort.

It is our understanding that while the fund has been created to meet the needs of the county to the south, there was a lack of interest in this area. Perhaps it is time the municipal authorities here took another look at the advisability of participating in this effort or even forming our own contingency fund to meet the immediate needs of citizens who have come through a major emergency. We are well aware there are many facets to this proposal, both pro and con, but we still think it deserves a careful re-examination by our county council.

Mouse? what mouse?

A buoyant outlook

-by Bill Scott, MP-

As the old year ends and a new year begins, this is generally a time when we take stock of what has happened in the past year. This inevitably leads us to evaluate where we are and resolve how to proceed over the next twelve months.

In terms of the economy of the country this has been a very good year indeed. Employment has risen. Interest rates are down. Investor confidence is strengthening. Consumer spending is rising. Prices are stable. Bankruptcies are declining. The Canadian economy is outperforming the American.

Since the election in 1984, 416,000 new jobs have been created, including 83,000 in November 1985. The PC government has created more jobs in 14 months than the previous government

created in four and a half years. The unemployment rate has fallen from 11.6% in September 1984 to 10.2% in November 1985. The youth unemployment rate has fallen from 18.3% to 16.2%.

The chartered bank prime rate has fallen from 13% at the time of the election to 10%. The rate on five-year mortgages has fallen from 14.25% to 11.75%.

Consumer spending is rising and that is good news for retailers, small businesses, manufacturers and the unemployed. Retail sales in October were up 11% compared to a year ago. The Conference Board reports that consumer confidence is at a near record high.

The Canadian economy grew at an annualized rate of 6.6% in the third quarter. This was a made in Canada performance reflecting

strong business investment, residential construction and consumer spending. Strong productivity growth (4.9% at annual rates) combined with a very low inflation rate as measured by the GNP deflator imply that Canada's international competitiveness improved significantly in the third quarter.

In the first nine months of 1985, the value of building permits was up 24% compared to the same period last year. In September, the value was up 38% compared to September 1984. Housing starts were at a seasonally adjusted annual rates level of 197,000 in November, up 58% compared to the same month last year.

The inflation rate (CPI) has been in the 4% range for

(more on page 5)

outdoors

Federation of Ontario Naturalists

Who else could hunt for seals by lying in the water pretending to be an ice float? Or teach Eskimos to catch more seals, by leaving a freshly-killed seal pup by their breathing holes? None other than the polar bear, of course, the massive white bears of Canada's north.

With more polar bears occurring over a broader range of habitats than anywhere else, Canada is definitely the place to watch polar bears. But according to Dr. Ian Stirling, who has studied the bears for the Canadian Wildlife Service, watching polar bears is often quite boring. 80% of the bear's search for food is "still hunting", with the bears staying motionless for long periods in wait for ringed seals, their favourite prey. But when something happens, it can be spectacular. Dr. Stirling reports a bear raising its paws over its head and smashing downward like a sledgehammer to break the ice over a seal lair. Other reports include a bear throwing blocks of ice at walrus to maim them before attacking.

Polar bears are estimated to harvest 50,000 seals each year in the Canadian arctic. To balance the odds, the seals have developed several remarkable adaptations. A seal regularly uses six to eight different breathing

We are interested in having cooperation from among your readers with an environmental project being done by a student.

The project involves testing feathers from pigeons in the Toronto area for contaminants arising from environmental pollution. In order to make a comparison we need pigeon feathers from an area such as the general Haliburton region far from industrial and urban pollution.

We would like to know if any residents of the area have pigeons from which they could supply tail or wing feathers that are shed by the birds in their pens. If so, we would appreciate receiving them in an envelope mailed to: The Institute for Environmental Studies, University of Toronto, Toronto, Ont. M5S 1A4.

(Persons mailing feathers could be reimbursed for their postage.)

Centre ready for the fit and flabby

The image of Canadians as hale and hearty northern pioneers suffered quite a blow two decades ago when we were told that the average Canadian was no more physically fit than a sixty year old Swede.

We aren't being told that anymore. We have become much more conscious of the importance of exercise and physical fitness and are abandoning our sedentary lifestyle.

For the past six years Patti Prentice and Sharon Poldas have been helping Highlanders shape up in exercise classes in various facilities in the Minden area. The classes were popular but the two women were not satisfied with facilities which usually served other purposes as well.

When the Moynes Furniture building at the corner of Main Street and Highway 35 was completed, they decided to lease space that could be used exclusively for exercise classes. As Sharon explains, "When we planned this place we wanted, first of all, to provide an environment that is safe. In the past we have had to work on hard floors. But here we have installed thick carpeting that creates a nice atmosphere and is more conducive to

exercising."

Patti points out that the 1,200 sq. ft. of open space means the fitness programs can be more flexible than in the past, allowing for greater freedom of movement.

Besides providing a spacious, safe environment, the instructors emphasise safe exercising to ensure no one suffers from over-exertion or pulled muscles. They learned these techniques through past experience and the Fitness Ontario Leadership Program (FOLT) sponsored by the Ministry of Tourism and Recreation. After graduating from the course in December, they became members of the Ontario Fitness Council.

As Patti notes, the program also taught them how to make their fitness classes more enjoyable.

The first sessions begin on January 13. "The first eight week schedule will be on a trial basis. We will take a break for a week after that and set up our next eight week schedule. We are doing a lot of this through feedback from the community. We want to see what the needs are. For instance we might set up a weight bench because a lot of men have

Sharon Poldas and Patti Prentice are ready to make Minden and area residents fit and healthy.

asked for one and we may install other equipment depending on what people want," Sharon explains.

She also notes people participating in the classes do not have to sign memberships but simply sign up for eight week sessions. "Another thing we want to

emphasise is that this is for men as well as women. We will be offering noon hour classes. We have never had those before and people will also be able to come here right after work. Exercising is a great way to beat stress."

While a number of differ-

ent programs may be offered, depending on demand, the general fitness program taught by Sharon and Patti will remain the constant centre of the program.

For anyone interested in the future programs there

will be an open house and registration on Friday, January 10 from 4 - 8 p.m. and on Saturday, January 11 from 1 - 5 p.m. The studio is located at the south end of Moynes Furniture building at the intersection of Highway 35 and the entrance to Minden.

Bill Scott

(from page 4)

over a year, the most stable price environment since 1971. In the first eleven months of 1985, bankruptcies were down 11% compared to the same period last year.

Manufacturing orders have risen 12% since the election. Planned capital investment in manufacturing is up 27%. Production increases in the current quarter are expected by 33%

of the manufacturers, while only 19% anticipates declines. Exports in October 1985 reached a record level of \$10.9 billion, an increase of 10% over the same month last year.

Since the election, the Canadian economy has been outperforming the American economy. Real GNP has been expanded almost as fast in Canada. The value of industrial production has expanded four times faster.

Employment has grown by 3.8% in Canada compared to 2.4% in the U.S.

This very positive economic performance in 1985 gives us cause for a great deal of optimism as we start off 1986. I am confident that the positive direction our government is giving will continue this trend. On behalf of the Government of Canada and myself I wish you and yours all the best in 1986.

Outdoors

(from page 4)

holes, to keep the bears guessing where they might appear next. A seal sleeps for only a few seconds at a time when on ice, constantly lifting its head to check for predatory bears. Canadian seals won't even defecate on the ice near their holes, since the scent attracts bears. This

is in contrast to their southern counterparts in Antarctica, where such precautions are unnecessary.

Polar bears are not endangered, even though they are not common. The future development of oil and minerals in the Arctic poses special threats for these specialized predators.

however, and their future remains uncertain. Recent studies have shown that polar bears are very sensitive to spilled oil, which they lick from their coats. Surely the fate of these magnificent mammals warrants a long hard look at any development plans for the Canadian Arctic.

Reading a tea by what it leaves

by Gary Kenney

A few days ago I simmered a curious sort of tea. Here are my impressions of that brew after it was cooled, transferred to a four litre glass jar, and let stand for a time.

The surface was a frothy and oily brown upon which floated five lifeless bugs of unknown heritage. The bottom of the glass held about a cup and a half of equally brown and oily sludge with six or seven small angular stones set in the goo like Brazil nuts in fruit cake. (I liked fruit cake a lot more before I noticed that similarity.)

The brown liquid between the froth and the sludge would not easily allow light from a 100 watt bulb to pass through even after some thirty hours of settling. The same light, however, did present the murky soup as a dense suspension of tiny particles that hovered motionless unless inspired to a lazy swirling dance by any movement of the jar. The whole lot smelled as oily as it looked.

The recipe for my brew is exceptionally simple and, as some of you may have guessed, the point of this week's wordy offering. It is comprised of three heaping shovels from the snow bank on Minden's North Water Street, more particularly the icy mound spilling over into the Gull River near the Main Street Bridge. During collect-

ion of the ingredients, and subsequent melting, do not use containers with which you have formed any meaningful relationship.

As far as pollution goes, I should say right off that we're talking small potatoes here. Against the recent headlines of Sarnia's offshore poisons, Lebanon's intramural warfare, and Canada's world-wide monopoly of tuna based cat food, street scrapings dumped into the Gull River take on all the importance of a Saturday night yawner between the Maple Leafs and Canucks.

Heck, it just can't be a problem, can it, if the Province's own Ministry of Transportation and Communications (MTC) allows its crews to shovel slush off Highway 35 bridges into the waters below? In fact when you look at my less than scientific study results, with five bugs to the gallon, such practice is probably just another example of cooperative interdepartmental planning between the MTC and MNR to feed the Highlands' sport fishery. At the very least, with six or seven stones to the gallon, new trout spawning beds are being introduced in a decidedly novel way.

Still, bizarre fellow that I am, I thought it enough of a problem to be a nuisance about it during a stint as one of the Forgotten Five, and my opinion has not changed a bit on the matter. So, on we going being a nuisance.

It seems to me that a lack of PCB's or Dioxin and the assorted interest they bring from the likes of W-5 or

Global News is no reason to use Gull River as a pipeline and Gull Lake as a holding tank for an annual deposit of oily sludge. It may only amount to a tandem load of goo and a few thousand gallons of brown soup each winter, but the question remains, why?

There is no doubt that many bad actors seep into this county's water system with little control possible. But we do try. Lakes are routinely monitored for leaking tile beds and violators are forced to comply with stringent regulations. Any company caught spilling a tanker truck of oily sludge into a lake would face a stiff penalty.

The quality of this county's recreational resources are being challenged daily by airborne and waterheld pollutants from sources hundreds of miles from our jurisdiction. For that we rely upon politicians of higher rank to represent our interests and defend our investments.

Local politicians have an opportunity to contribute as well. We need a county-wide policy to protect our water systems from needless deterioration at our own hands for the same reasons our more progressive municipalities now have tree-cutting bylaws. Policies for snow removal and sand salt storage would be a good place to start.

Snow piles along the Gull or tons of salted sand stored at the edge of Monmouth's McCrue Lake may be the smallest part of local pollution, but it's pollution we can do something about.

Courses assist area farmers

Farmers in Haliburton, Victoria and Peterborough Counties will have the opportunity of participating in five separate short courses on the management of the farm business this winter.

Participation is by pre-registration only and the deadline for accepting registrations is Friday, January 17. Since there is a limit to the number of participants which can be accommodated in each course, participants are encouraged to register early. Detailed information on each of the courses is available from the Peterborough and Victoria Agricultural Offices, and participants may register at either office.

The farm business short courses are funded by Employment & Immigration Canada through Sir Sandford Fleming College. The courses are arranged by staff of the Ontario Ministry of Agriculture & Food in Peterborough and Victoria Counties with the co-operation of the farm management program of Sir Sandford Fleming College.

The course in field crop and machinery management will be held at the Omeme Legion Hall during the day-time on six consecutive Tuesdays, from January 28 to March 4. This course will provide up-to-date information on all aspects of field crop production and economics as well as the fundamentals of machinery management.

Omeme Legion Hall is also the location for a course for dairy producers, being held six consecutive Wednesday evenings from January 29 - March 5. This course will cover topics such as breeding and selection, preventative medicine, forage production and handling, rations for dairy cattle, financial management and future trends in the industry.

A short course for beef cow-calf producers will be held at the Fenelon Township Community Centre in Cambray for six Wednesday evenings, from January 29 to March 5. This course will help participants in the weaning weight program

learn how to get the most returns from that program.

A short course in financial management for farm spouses will be held at the Sir Sandford Fleming College Peterborough Campus during the day time for five consecutive Thursdays, from January 30 to February 27. This course will feature financial management advice necessary in operating a successful farming business today.

The fifth short course will feature financial management for young farmers and will be held at the Omeme

Legion Hall on six consecutive Thursday evenings, January 30 to March 6. This course is geared toward young and beginning farmers who are interested in increasing their knowledge of farm financial management.

Soil & crop project report available

East Central Soil & Crop Annual Report has been compiled for 1985, and is available at the Lindsay Agricultural Office. This report contains a summary of the projects carried out in

the East Central area during 1985.

The rod row cereal trials for the Sir Sandford Fleming test site along with a summary of the results for Area II showing the ranking of the various oat and barley varieties are included in this report.

A canola tour was held in the Lindsay area and a summary of the results on the farms visited along with grower comments gives a good overview of the 1985 canola crop.

Corn hybrid test plots in the area have been compiled and the results summarized. Due to the wet weather of this fall results were not received from as many plots as in previous

years. The indexed yields and moistures allows for easy comparison of the different varieties.

The Durham West High Yield Corn Club results show some interesting data and management practices undertaken by the participants in Durham West. The benefits of rootworm insecticide when the previous crop had been corn showed up very clearly. 63% of the participants used some type of soil conservation measure showing their concern for keeping the soil in place and attempting to improve soil condition.

The totals for the season show average Corn Heat Units and above average precipitation.

Frostbite victim

(from page one)

snowmobile trail back to his cottage on Bob Lake in Anson Township when he fell asleep along the trail or became unconscious. He lay on the trail all night until being spotted by a neighbour in a cottage the following morning.

He was taken to the Minden Hospital and transferred to Sunnybrook Hospital in Toronto.

Ice conditions

The Minden Detachment Snowmobile Patrol officers report that, in their opinion, local lakes are far too slush-covered to permit snowmobile lake travel. Over the past weekend several snowmobiles were observed mired in slush in the Kennis Lake and Redstone Lake areas. Although ice thickness was not assessed, there is every likelihood that the deep snow has insulated the ice and prevented a good freeze-up.

Snowmobiles

The Motorized Snow Vehicles Act requires that all operators of snowmobiles must carry proof of insur-

ance and, if driving on a trail or roadway, proof of a driver's licence or motorized snow vehicle operator's licence. This proof must be produced upon demand from a peace officer.

A suggestion from our Snowmobile Patrol officers is that photocopies of the documents would be sufficient proof. Apparently snowmobilers are reluctant to carry valuables for fear of losing them.

Snow removal

Over the Christmas - New Year Holiday there were more than two dozen reported cases of vehicles which were parked on area roadways in such a manner as to interfere with the removal of snow by snowplows. In each case, the offending vehicle was either removed by tow truck or ticketed. In some cases, Brady Lake for example, the tow bill was as high as \$60 per vehicle.

It is the motorist's responsibility to ensure his vehicle is sufficiently off the travelled portion of the roadway so as to allow snowplow operators to complete their duties unobstructed.

SATURDAY, JANUARY 25

100 km Ride over expertly groomed HCSA trails

All snowmobilers with pledges for the Easter Seal Society are welcome to take part - Proceeds will be used to assist disabled children in the Minden area and throughout the province.

**Registration: Saturday, January 25

December was not one of the more pleasant months of 1985. First to 15th was very dull and cloudy with only one sunny day (December 3). The last half of the month was much the same other than we got snow practically every day. This gave us most snow in December for the past ten years.

For fun??

If your driveway is 100 ft. long and 8 ft. wide, and we had a 5 inch snowfall of medium weight snow, you would have moved 1 1/4 tons of snow to clean it off.

Seniors enjoy luncheon

by Bruce Armstrong

The Haliburton Drop-In Centre's Christmas luncheon was a well organized and successful event with 44 members enjoying the repast and 9 tables filled for the games. Two names stood out amongst the euchre enthusiasts, as Pat Woolley and John Scott bested the others, and two more in the

other half of the room (the quiet side) as Lenore Gillespie and Alex McLeod held the honours in bridge.

A new brochure should be available at the Home Support dinner at the Pine-Stone Inn on January 17. Our activities membership is now in the late 50's and we're aiming at 100 this year; remember it's only \$5.00 for 6 months or \$10.00 for all 12.

December was the second birthday month for the Centre and over 550 visitors registered during the final quarter of the good year '85. Now, however, that the better year '86 is upon us, the conveners of the bridge, euchre and cribbage will be here to welcome you at the usual time on Mondays, Wednesdays and Fridays respectively.

Juveniles claim consolation title

This past weekend the Minden Monarch Juveniles faced their toughest opposition in some time as they took on Streetsville, Fenelon Falls and Westhill, all on the same day.

The action took place at the annual Minden Juvenile Tournament featuring seven teams from central and southern Ontario. The Monarchs lost their first game of the day 6-4 to Streetsville, then picked up two well deserved wins to capture the consolation round.

After the win over the Monarchs, Streetsville, an OMHA "AA" team, blanked Powassan 3-0, then narrowly defeated a determined Lindsay team 3-2 to capture the championship.

While all of the games offered exciting, fast paced hockey for the large crowd of fans, the contest between the Monarchs and Streetsville was the highlight of the tournament.

Streetsville struck first in the game, scoring at the 5:45 mark of the first period. In the first minute of play of the second frame, Scot Hamilton evened the score on a pass from Bernie Upton.

Captain Jeff Howe put the Monarchs ahead by one on a pass from Boomer Stamp at the 6:30 mark then notched his second goal after taking a pass from Greg Newell and Bernie Upton.

Streetsville narrowed the lead with only 15 seconds remaining in the period then, just 7 seconds before the buzzer sounded, tied the game to set the stage for the final period.

After some strong defensive work and fine goaltending from Vince Duchene of the Monarchs and Steve Holmes of Streetsville, Boomer Stamp knocked in an unassisted shot to regain the Minden lead at the 5:23 mark. But Streetsville rebounded, scoring two goals in 23 seconds on deflections to take a 5-4 lead.

Monarch coach Jerry Campbell pulled goalie Vince Duchene in the last minute in favour of a sixth attacker, but Streetsville found the empty net with six seconds remaining to gain the 6-4 victory.

After a four hour rest, the Monarchs took to the ice to face their regular season arch-rivals, Fenelon Falls Flyers. As a number of fans commented, the two teams bring out the best in each other and the game on Saturday was no exception.

Boomer Stamp put the Monarchs up by a goal at the 5:36 mark of the opening frame on a pass from Jeff Howe and Doug Schell then Barry Boice struck again ten seconds later on an unassisted tally to give the Monarchs a 2-0 lead.

Not to be outdone, the Flyers got around the Monarch defense and scored 24 seconds later. With a half minute remaining in the period, the Flyers evened the score as Peter Handley picked up his second goal.

The Monarchs regained the lead at the 4:17 mark of the second frame when Jeff Howe scored on a pass from Gord Wood and Doug Schell. A minute later

Fenelon Falls tied the game again with a point blank shot past goalie Kevin Smith.

After less than a minute of play in the final frame, Minden regained the lead when Boomer Stamp scored his second goal on a pass from Bernie Upton. Up to this point Minden had only been assessed 2 minor penalties, but the Monarchs suddenly found themselves two men short in the last few minutes of play. Fenelon Falls tipped the odds further in their favour by pulling their goalie in the last minute. The tactic worked and the resulting goal forced the game into overtime.

Once again a penalty made the difference. With a Flyer player off for high sticking, Jeff Howe clinched the sudden death win after taking a pass from Bernie Upton and blasting a shot past the Flyer goalie.

After Streetsville defeated Lindsay for the championship in front of an appreciative Minden audience, the crowd grew for the final contest between Westhill and Minden. The game featured some excellent offensive plays and strong defensive work, but in the end was dominated by outstanding performances by the goalies.

Demonstrating the aggressive style which earned them a second place finish, Minden Juvenile Lennie Johnson and Jeff Howe break through the Fenelon Falls defense.

Monarch goalie Vince Duchene was at his acrobatic best as he blocked shots from all angles and repeatedly rushed out from his net to break up scoring plays by tipping away the puck.

The Monarchs opened the scoring in the last minute of play of the first period after some determined forechecking and solid work in the corners when Scot Hamilton scored on a pass from Boomer Stamp. It was not until the 2:30 mark of the second period that the scoreboard lit up again. With the Monarchs playing short-handed, Boomer Stamp swept in on left wing and let go a high soft shot. The Westhill goalie made the initial deflection but the puck dropped behind him and rolled over the line to

give Minden the two goal lead.

Westhill narrowed the lead early in the third period but were unable to tie the score in the close-checking final period and the Monarchs were awarded the consolation trophy as the second best team in the tournament.

The Monarchs were supposed to meet Beaverton in the final game of the regular schedule on Friday, but received word the team had folded, so needless to say the game was cancelled.

Minden will be tuning up for the playoffs during a three day tournament to be held this weekend in Fenelon Falls. The playoff schedule will be determined at a meeting on Sunday and will be published in next week's edition of The Times.

Monarch booster Mike Maher presents the Don Gartshore Trophy to Juvenile captain Jeff Howe at the conclusion of Saturday's tournament. The Championship Dello's IGA trophy was presented earlier to the team from Streetsville.

1985

(from page 2)

- Deputy Reeve Ed Pergolas is appointed acting Reeve in the absence of Lyle McKnight who is recovering from a stroke.

- A small dog named Spook owned by John McAdam of Big Hawk Lake is inducted into the Purina Animal Hall of Fame in recognition of the part he played in the rescue of a snowmobiler on the lake in March 1984. McAdam also received confirmation he had been awarded a Commissioner's Citation from the Ontario Provincial Police for his rescue of Jim McKay from the icy waters of Big Hawk Lake.

- Paul Crofts is committed to stand trial for a number of offences, including attempted murder, resulting from a 29 hour standoff between the accused and the Ontario Provincial Police in August 1984.

- The Minden Monarch Juveniles advance to the Ontario finals after clinching the best of five semi-finals against Godfrey.

April

- Dysart et al Reeve Murray Fearrey defeats three other candidates to win the Progressive Conservative nomination for the provincial election to be held in May.

- Emily Skinner, manager of the Haliburton Highlands Chamber of Commerce, resigns because of ill health.

- On Easter Sunday, the Minden Monarch Juveniles and the Haliburton Huskie Bantams capture the Ontario championship in their O.M.H.A. "DD" divisions. The Bantams skated to a 7-4 overtime victory in Teeswater while the Juveniles overpower Paisley 7-2 in front of a capacity crowd at Minden Arena.

- The Haliburton County Board of Education announces the Dorset Public School will remain open at least until June 1986 but makes no commitment to the long term operation of the school.

- The provincial election campaign gets under way as Liberal John Eakins and Conservative Murray Fearrey open their respective campaign offices in Haliburton and Minden.

- The Report on Rural Municipalities prepared by the Ontario Liberals under the Chairmanship of John Eakins is released in Lindsay. Some of the recommendations contained in the 29 page document would eventually become government policy.

- The Haliburton Concerned Citizens Group launches a campaign against the Rural and Native Housing program. A petition bearing the signature of 107 local residents demands the federal government and Anson, Hinton and Minden Council review and overhaul the program. The protest results in the program being discontinued in the municipality.

- Four years after the request was first made, the federal parliament approves a 16 kilometre per hour speed limit on the Gull River between Gull Lake and Highway 35 north of Minden.

- With snow still on the ground and only a hint of spring in the air, kayakers brave the icy waters of the Minden Wild Water Preserve, vying for a spot on the Canadian National team.

- Following a lengthy meeting on the last day of the month the Haliburton County Board of Education approves the 1985 budget of \$8,514,607. While the budget represents an increase of less than 7% the municipal levy increases by nearly 20% and results in protests from the public and local municipal councils as taxes are increased an average of 10%.

May

- Residents of Minden are relieved when the water levels in the Gull River begin to drop after being consistently high during the last two weeks of April.

- The board of directors of the LEAD Program hold their first meeting and begin to consider submissions from individuals and municipalities.

- John Eakins is re-elected for his fourth term with 15,292 of the total 30,092 votes cast. Murray Fearrey receives 11,750 votes to place second ahead of the NDP candidate, Art Field. At one point on the night of the election the Liberals held a lead in the province over the Conservatives, prompting Eakins to speculate he might be able to serve on the government side of the house for the first time in his political career. As it turned out he would sit in opposition until later in the year then would be named Minister of Tourism and Recreation after the P.C.'s were toppled by a Liberal-NDP coalition.

- Local hydro employees hit the bricks during a brief province-wide strike.

- The Highlands Little Theatre stages an excellent production of "The Importance of Being Earnest".

Ride For Sight participants, along with their four legged companion, head home after a weekend in Minden.

- Joan Irish is elected President of Royal Canadian Legion Branch 129 in Haliburton.

- Haliburton County Council requests a review by the province of a proposed budget of the Kawartha-Haliburton Children's Aid Society following a prediction the budget will rise dramatically.

- Kirchesse Farm in Stanhope Township wins two production awards from the Dairy Herd Improvement Association of Canada.

- Despite chilly temperatures the annual Haliburton Spring Fling attracts large crowds on the Victoria Day weekend.

- Shirley Rapson is named manager of the Haliburton Highlands Chamber of Commerce. A native of West Guilford, Mrs. Rapson returns to the county to take over the position after running her own business in Timmins.

- Haliburton Highlands Secondary School athletes capture the "A" school championship at the COSSA track and field meet in Napanee.

- Haliburton County Council and the Haliburton County Board of Education request a meeting with the Ministry of Education to seek greater financial assistance for education costs. The request follows the passing of a resolution by council calling the increase in the education levy "Unacceptable, unreasonable and an undue burden on the taxpayers of Haliburton County."

June

- The month begins with a 25 kilometre Walk for Water. Eighty-one participants bearing over \$8,000 in pledges take part in the second annual event to raise money to assist in the purchase of well drilling equipment for Third World villages.

- Minden and area receives national television exposure as a CTV crew films the program "Thrill of a Lifetime" during the Black Bear Rally.

- Debris found on a farm near Minden is believed to have been carried from Barrie during the tornado which struck on May 31.

- Warren Payne is elected President of Minden Kinsmen and Norma Amyotte elected President of the Kinettes during the installation of the 1985-86 executive.

- \$135,000 is raised by 2000 participants riding over 1200 motorcycles for the Retinitis Pigmentosa Foundation as the Ride for Sight arrives in Minden. Riders from across the province double the population of the village as they set up a tent city at Minden Fairgrounds.

- An announcement that the orthopaedic unit at Ross Memorial Hospital may close prompts local residents to circulate a petition opposing the move. The public outcry apparently influences the board of the hospital since the closure is forestalled, but services are reduced due to lack of funding.

- Six members of the HHSS track team compete at the Ontario championships and have their best showing ever.

- The BIA stocks the Gull River in Minden with 1250 rainbow trout.

- One person is killed and five others, including four employees of the Minden MNR, are seriously injured in a head on collision on Highway 118.

- Jeff Howe of Minden places second at the Toronto Supercross ATC race competing against the top riders in the country at Exhibition Stadium.

- KinArk Child and Family Services opens their new office in Haliburton.

- Residents of the County are saddened to hear of the death of Lloyd Walker on June 20. Walker served on both Lutterworth and Anson, Hinton and Minden Councils and was Reeve in Minden for one term.

- 330 seniors take part in the second annual Ontario Senior Games for Haliburton County in Haliburton, Minden and Carnarvon over a 17 day period.

- Jerry Rome is elected President of the Rotary Club of Minden as the organization installs the 1985-86 executive.

- The congregation of St. Peter's Anglican Church, Maple Lake celebrates the 80th anniversary of the construction of the stone church that has become a landmark in the Highlands.

- The Ingoldsby bridge is opened to traffic.

July

- The board of directors of the LEAD program choose two projects for submission to the federal government. The proposal submitted by the municipality of Anson, Hinton and Minden calls for the construction of a \$200,000 centre housing C.H.A.C.E. Place and a multi-unit retail space while the submission by Dysart et al proposes a \$250,000 building in the industrial park to house four businesses. 29 jobs are expected to be created by the projects.

- Following a fund raising drive, covering three counties, the Peterborough Region C.A.T. Scan Fund orders one of the most advanced medical diagnostic x-ray imaging systems.

- Communities across the country celebrate Canada Day with games, contests, musical entertainment and hundreds of balloons.

- A near capacity audience is on hand for the grade 12 and 13 commencement exercises at HHSS.

- St. Peter's Anglican Church, Maple Lake, celebrates its 80th anniversary.

- Two employees of the Quanafor Ringette Camp on Koshlong Lake and a 16 year old Haliburton youth are killed in two car accidents on July 9 and 10.

- The community of Minden mourns the loss of popular businessman Sid Stamp.

- The proposed development of a trailer park on Halls Lake in Stanhope Township is met by strong opposition from many residents of the lake at a Stanhope Council meeting. The public protest heard through a series of meetings over the summer would result in an interim control bylaw being passed to freeze the development for one year. The initial approval of the park by council would be one of the main issues in the November election.

- Haliburton County Council redistributes the seats of the board of education increasing Dysart et al's representation from four trustees to five while eliminating one of Stanhope Township's two trustees.

(more on page 11)

1985: The year in review

(from page 10)

- St. Patrick's Church in Kinmount marks its 75th anniversary.
- Fishermen throughout the Highlands are talking about the giant muskie that pulled 16 year old Gerald Crego under water while he was swimming in the Burnt River in Kinmount.
- Arson is suspected in a blaze that levelled the Pine Ridge Resort on Gull Lake. The popular resort had been attracting tourists since 1949 and had just undergone a year long renovation. All ten people in the lodge at the time of the early morning blaze were able to escape unharmed.
- County Council adopts a sign bylaw governing the size, type, condition and placement of signs, notices and advertising devices adjacent to County roads.
- Hundreds of collectors from across the country and the northern United States gather in Wilberforce for the annual Rockhound Fair.

August

- Over 400 runners take part in the fourteenth running of the Heineken Yard. Runners of all ages complete the 4.6 mile course from Camp Onandaga to downtown Minden.
- L. Andrew Hemphill of Richmond Hill is appointed principal of Haliburton Highlands Secondary School replacing Dale Robinson who had assumed the position of curriculum co-ordinator.
- A demolition derby, baseball tournament and amateur contest are just a few of the activities as Gooderham celebrates Horseshoe Days.
- Cottager's associations across the County hold their annual regattas on the long weekend. While some of the events are being staged for the first time, others are a continuing tradition. For example, the Gull Lake Regatta has been an annual event since 1924.
- Ted Wilkens of Kinmount captures the 1985 Canadian Hill Climb Championship at Bill's Hills near Wilberforce.
- The Haliburton Juniors capture the Haliburton County Ladies' Softball Championship after defeating the Minden Dixie Lee Seniors in the final game of a best of five series.
- Less than ideal weather, competing events in other parts of the County and the failure of the midway to appear combine to lower attendance at the Haliburton County Fair, but nevertheless visitors enjoyed a wide range of events and activities as the three day fair continues a 121 year tradition.
- The Minden Rockcliffe Hustlers capture the Tri-County Fastball League championship, defeating Lindsay York Tavern 16 - 0 to sweep their three game series.
- Stanhope Township council passes a comprehensive zoning bylaw and an interim control bylaw to freeze the development of a proposed trailer park on Halls Lake.
- Anson, Hindon and Minden Council seeks provincial funding to purchase an emergency watercraft for the fire department.
- Jeff Howe of Minden places first in his class in the final race of the Highland Cup ATV Challenge Series to capture the overall championship on the last day of the month.

September

- The municipal election campaigns get under way as the first of the candidates declare their intentions to run.
- Kitty Wells, the Queen of Country Music, and her husband Johnny Wright, entertain over 500 fans at Minden Arena.
- Two hundred riders from Ontario, Quebec and the United States take part in the thirty-second running of the Corduroy Enduro.
- Stanhope Council rejects a request to include a plebiscite on the upgrading of Stanhope Airport in the upcoming election.
- In a ceremony marking the 60th anniversary of the Royal Canadian Legion, members of Branch 129 take part in the Dedication of the Articles of Faith.
- Sixty people take part in the annual Terry Fox Run in Haliburton and raise \$1,600 for Cancer research.
- The Ministry of Natural Resources announces winter fishing will be banned on several lakes in the County to improve the supply of naturally reproducing laketrout. The closure of Drag Lake results in protests from Dysart et al Council and the Miskwabi Area Cottagers Association.
- After months of discussion Stanhope Council decides against a private feasibility study of a hydro generating station at Buttermilk Falls.
- The Chamber of Commerce opens a new office on the Minden bypass.
- After plans to share the Kanawa International Canoe collection between Port Hope and Haliburton are abandoned hopes are raised that the world class collection

will be housed in a proposed 40,000 sq. ft. facility on Head Lake.

- Free trade with the United States is the main topic of discussion as the Ontario Provincial Cabinet and Liberal caucus meet at the PineStone Inn and Country Club.
- The Antique and Classic Car Club of Canada hold their annual colour tour of the Highlands.

October

- Anson, Hindon and Minden Council react favourably to a proposal for a multi-million dollar development that would provide housing and nursing care for nearly 250 senior citizens. The proposed facility is to be constructed on property bounded by Highway 35, Newcastle Street and Prince Street.
- Large crowds turn out for the first annual Heritage Draft Horse demonstration presented by the Haliburton County Farmer's Association.
- Paul Crofts is found not guilty by reason of insanity on four charges including attempted murder. In August of 1984 Crofts barricaded himself in his home in Haliburton and held police at bay for 29 hours after he was served with a warrant under the Mental Health Act.
- The newly formed Minden and District Lions Club receives its charter from the Deputy District Governor.
- While some of the candidates declare their intention of running in the municipal election in September, most wait until mid-October to throw their hats in the ring. It is not until the final week before nomination day that Sine Nesbitt announces he will run for Reeve in the municipality of Anson, Hindon and Minden against Gary Kenney.
- The same week the incumbent Reeve, Lyle McKnight announces he will run for the position of councillor.
- Dysart et al Reeve, Murray Fearrey also waits until the last moment to confirm his candidacy and is acclaimed to the position.
- The very Reverend Clarke MacDonald, past Moderator of the United Church of Canada, joins the congregation of Minden United Church in the 60th anniversary celebrations.
- Ontario Hydro announces electricity rates will increase an average of 4% effective January 1, 1986.
- Ricard Pope's book "Me'n Len", which chronicles the life of Wilberforce trapper and guide, Len Holmes, is published.
- Passage of Anson, Hindon and Minden's comprehensive zoning bylaw is delayed in response to concerns and criticisms by ratepayers at several council meetings.
- The Minden Minor Hockey Association and the Minden Men's Recreational League open their regular season.
- Author Nila Reynolds addresses the Haliburton Real Estate Board at a banquet marking Private Property Week.
- The HHSS Redmen capture the Kawartha West soccer title in an exciting overtime victory against I.E. Weldon of Lindsay.
- Myrtle Davis and Ethel Brennan are among ten members of Royal Canadian Legion Branch 129, receiving honours and awards from M.P. Bill Scott for their many years of service.
- The month ends with all-candidates meetings in Stanhope Township and the municipality of Anson, Hindon and Minden. While the meeting in Minden was relatively free of controversy, the incumbent members of Stanhope Council found themselves under attack over their past stand on the Halls Lake trailer park and Stanhope Airport.
- On a more positive note, over \$10,000 was distributed in awards and scholarships to students of HHSS.

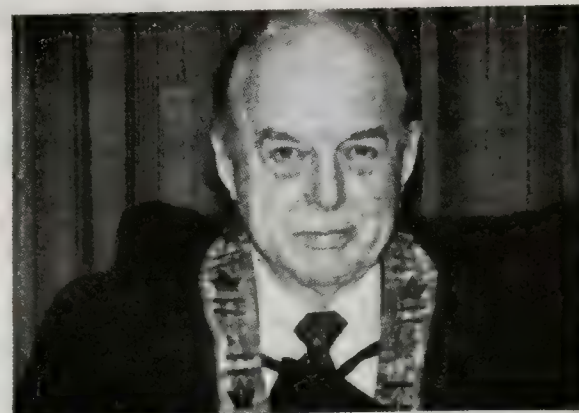

November

- Candidates for the Haliburton County Board of Education bear the brunt of the questions at the Dysart et al candidate's night as ratepayers express their concerns over increased education costs.
- High turnouts at advance polls reflect public interest in the municipal election.
- The HCSA announces an agreement has been reached allowing members to ride the trails of four neighbouring clubs.
- Corinne Fleming retires after 39 years of nursing in Minden and Haliburton.
- Remembrance Day Services are held throughout the County to honour those who gave their lives for their country.
- A new era begins as voters reject the incumbents and elect a new council for the municipality of Anson, Hindon and Minden.

- Former council members Dale MacDonald and Elgin Stouffer are unsuccessful in their bid for office in Stanhope Township. In Lutterworth Township Deputy Reeve Glynn Lewis is defeated as three new members join council.
- Former Deputy Reeve Ross Duncan is defeated by incumbent Reeve Mack Peter in Cardiff.
- Bernard William Hebert is found guilty of two counts of first degree murder at his trial in Lindsay. Hebert of West Guilford was charged in the deaths of Joan Hall and her daughter Nadia in November 1984.
- Archbishop Lewis Garnsworthy, Bishop of Toronto, opens the St. Paul's Anglican Church hall in Minden.
- Wrinkles, a stuffed hand puppet created by Senitt Puppets and Dolls of Carnarvon, is named the Toy of the Year by the Canadian Toy Testing Council and ends up on the cover of Macleans Magazine.
- Following his election, Brendan Berube surprises the community by declaring he will not serve as Deputy Reeve because of a possible conflict of interest.
- The Family Violence Safety Network expands into Haliburton County, offering counselling and help for battered wives.
- Thirteen youths are charged with a series of break-ins dating back to the summer of 1984.
- The Highlands Little Theatre win rave reviews for their production of "Dark Deeds at Swan's Place" or "Never Trust a Tattooed Sailor".
- Haliburton County is notified of a claim by two Ingoldsby property owners for "injurious affectation" caused by the construction of the Ingoldsby Bridge.
- Stanhope Council requests an engineering study of St. Peter's Bridge because of concerns over structural soundness.

December

- Frontier Motors wins the Businessman's Women's invitational bonspiel for the second year in a row at Minden Curling Club.
- As municipal councils across the County are sworn into office to begin their three year term, Bern Berry is appointed Deputy Reeve of Anson, Hindon and Minden Council and Royce Miller is appointed to fill the vacancy on council.
- High water levels contribute to increased costs of expanding the Buckside Bridge from an initial estimate of \$83,000 to over \$130,000.
- 91 year old Bert Harrison, author of the weekly column "Senior League" passes away on December 3.
- John Fekins, Minister of Tourism and Recreation, officially opens the Haliburton County Nordic Trail System.
- Len Lonsberry, a former member of Anson, Hindon and Minden Council, passes away in Toronto in his 60th year.
- Harry Davis, Reeve of Stanhope Township, is elected Warden of Haliburton County for 1986.
- Ethel Davis celebrates her 100th birthday at Extendicare in Haliburton.
- Employment and Immigration Canada withholds final approval of a submission by the municipality of Anson, Hindon and Minden through the LEAD program, apparently due to the high cost per job ratio of the project. Ten new jobs were expected to be created by the \$200,000 project.
- A Minden foursome places third in the District 12 championships at the Minden Curling Club.
- As 1985 came to an end, the County was blanketed with the deepest snow in a decade. Over 5 feet of snow had fallen on Minden by December 31, providing a picture postcard setting for the holiday season, and promising a busy winter ahead for snowmobilers and skiers.

Harry Davis, 1986 County Warden

MARTIN MINDEN

SLED DOG DERBY

**January
11 & 12**

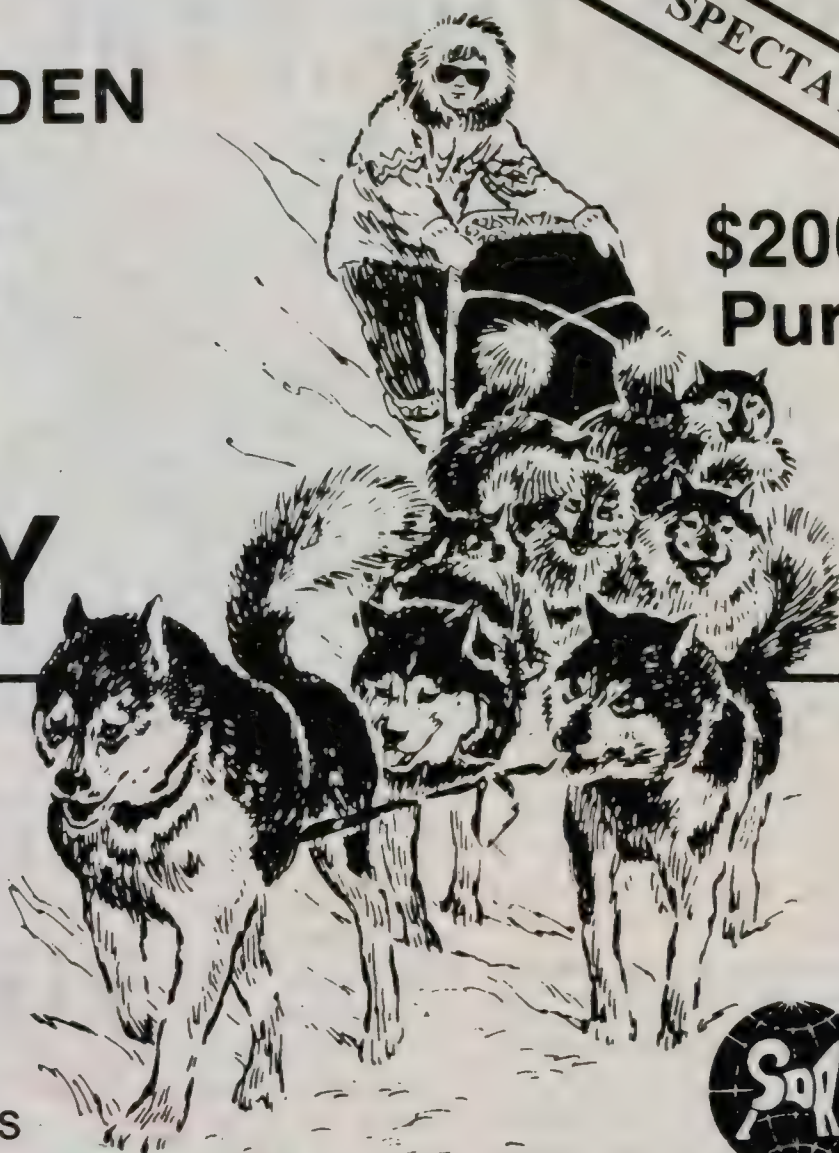

- 4 dog and 8 dog races

PeeWees open new year with 5-1 victory

After skating to a convincing win over Bobcaygeon then losing a close contest to Haliburton to end the '85 season, the Minden Pee Wees began the new year on a positive note, defeating Sunderland by a wide margin on January 6.

Playing in Bobcaygeon on December 21, Minden scored two unanswered goals in the first period, added two more in the second to take a 4 - 1 lead then added another pair to clinch the 6 - 2 win.

Rob Ackersblade led the way with two goals and an assist in the game. Captain Kent Taylor added two unassisted goals while Randy Bull and Joey Boyle added a goal apiece in the Minden win. Assists went to

Dave Lee with a pair and Jaime Dollo and Darren Sawyer with singles.

In contrast to the high scoring game in Bobcaygeon, Minden found itself in a close checking defensive battle with Haliburton on December 28 that featured solid goaltending by Lorne Greer of Minden and Hans Fluegal of Haliburton.

Jason Billings with a goal and an assist, John Vuksic also with a goal and an assist and Kyle Hewitt were the marksmen for Haliburton in their 3 - 1 win. Jeff Black picked up a single assist.

Kent Taylor knocked in the lone Minden goal on a pass from Rob Ackersblade at the 3:44 mark of the third period.

Five players shared in the

scoring in a good team effort as the Minden Pee Wees outpointed Sunderland 5 - 1 on Monday, January 6 in Sunderland. Minden jumped to a 2 - 0 lead on goals by

Kent Taylor and Rob Ackersblade to end the first period. Assists went to Joey Boyle, Mike Muli and Randy Bull.

Sunderland spoiled Lorne Greer's shutout with a single

goal in the second period, but Minden took over control in the third frame, scoring three unanswered goals to clinch the 5 - 1 win.

Scoring for Minden were Dave Lee from Joey Boyle, Derrick Moore from Joey Boyle and after assisting on three goals, Joey Boyle notched a marker of his own to round out the scoring. Assists on the final goal went to Kent Taylor and Derrick Moore.

January is busy at C.H.A.C.E. Place

by Eric Lilius

We've got tons of snow and we're going to make good use of it this month. Our crafts this month will include bird feeders, snowflakes and snowmen.

Ice Castle Day is on Friday, January 17. We hope everyone will bring in a frozen shape and or a beautiful icicle to make up a fairy tale castle that will sparkle in the light.

Our Winter Carnival will be on January 24. We will be having dog sled races, snow sculpting, a snow slide, games and races in the snow.

We will be starting a Public Health Series led by Public Health Nurse Margaret Graham. On January 22 at 11:00 a.m. there will be the film "The Family Talks About Sex" followed by discussion. This film is geared

to an adult audience. "Tomorrow We Shall Die" will be the film on February 5th.

C.H.A.C.E. Place depends on volunteer help to make the activities and fundraising events run smoothly. On January 14 and 16 we are having Volunteer sign-up days. If you would like to help with activities geared to pre-school children or have special skills that would help us, please come and find out about C.H.A.C.E. We are hoping to get our volunteer schedules established for the next months.

Fay Baxter will be offering Suzuki Rhythm classes starting on Thursday, February 6 with beginners at 10:30 and advanced at 11:00. There is a limit of six children per class. Please pre-register for these.

WINTER CARNIVAL

January 24, 25 and 26

CATCH THE FUN
THIS WINTER!

Times forward Barry Shaw, in the dark jersey, stick-handles his way past the Hartwick defenders during a game Monday night. While he failed to score on this play, goalie Rob Crowe blocking the shot, Shaw scored two markers to aid the team's victory.

Times team alone at top of league

The Times has taken over sole possession of first place in the Minden Men's Recreational Hockey League. Their 8-6 win over Hartwick Construction Monday night boosted the team out of a tie position with the Rockcliffe Foamblowers for the top spot. The win gives the team a six win, two tie, two loss record for the season.

In other games Monday evening, Home Hardware defeated Rockcliffe Foamblowers 11-8, while Hall's Insurance outpaced Vasey's Real Estate by an 11-6 spread.

Sid MacKeigan and Barry Shaw led the attack for The Times, each notching a pair of goals and single assists. Other Times markers went to Kim Colliss, Jerry Campbell, Jim Keetch and Dennis Wilson who scored on an unassisted effort. Also picking up assists were Ted Vasey and Fraser Rogers with a pair. Terry Crowe was in the nets for the winners.

A pair of goals from Pete Walker and Kevin Hamilton helped the Hartwick effort, but was not enough to carry the day. Singles were credited to Leigh Bull, who also picked up three assists, and Joe Mitchell. Steve Crowe, Rick Salmon and Ken Casey also assisted on goals. Rob Crowe was the Hartwick goal keeper.

Home wins

A three goal effort from Larry Sawyer and another from Dean Hewitt led the Home Hardware win over Rockcliffe. One of Hewitt's goals came on an unassisted effort. Doug McNab scored a pair of goals for the victors with singles being credited

to John Dettman, Brendan Berube and Royce Miller with an unassisted goal. Helping out on the Home attack were Brett Austin, Harold Cowen, and Mike Jackson, all with assists. Bill Dennison was between the pipes for Home.

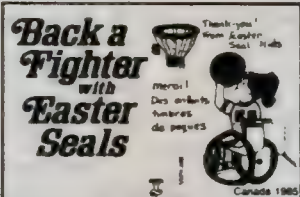

Merv Mintz and Dave Pettes shared top honours for the Foamblowers, each knocking in a pair of goals Monday evening. Single markers went to Rick Mansfield, Colin Wilson, Joe Giles and Casey Cox, who was unassisted in his goal. Jim Todd and Bart Hilhorst each managed a pair of assists in the evening. Larry Kent played goal for the Rockcliffe team.

Hall's victory

A five goal outburst by Ben Manguie of Hall's Insurance led the team to their 11-6 win over Vasey's Real Estate. Three of his goals were unassisted. Other goal getters included John Barkwell and Lawrence Loughheed, each with a pair, and singles from Andy Campbell and Kevin Webb. John McAdam and John Fedesky were each credited with assists in the victory. Rob Crowe was the netminder.

Brian Shaw scored three goals for the Vasey team, two of them unassisted efforts. Louie Reynolds picked up a pair while Dan Reed scored the other single. Assists were awarded to Eldon Bull and Barry Walker with a pair each. Ross Lindsay was in the nets for Vasey.

The league plays three games each Monday evening at the Minden arena, beginning at 7 p.m. There is no charge for admission.

The Cabin Stove

REG. \$673.00
Cash Discount
-33.65

\$639.35

We designed our Cabin Stove especially for smaller areas... but we did it in a big way!

The fixed firebrick lining and heavy steel top and sides create a high radiant heat mass and because of the efficient airtight design, a long burn time is achieved. For increased heat circulation an optional blower system is available and retrofits to all Cabin Stoves sold in the past.

We didn't forget good looks either! Attractive midnight brown paint is standard and we framed the large viewing glass with hand finished antique brass.

The Cabin Stove is an intermediate size, but it's designed and manufactured with the same quality materials and workmanship we put into every Kingsman Stove, big or small!

Ron Reid with the champion, Mr. T.

Mr. T, new county champion

The Highlands of Haliburton has seen its share of champions over the years, but probably none as young as Mr. T.

Mr. T is a Reserve Champion, an honour he was awarded at the Lindsay Central exhibition last September.

The eleven month old Hereford bull recently returned to the farm of Ron Reid on Buckslide Road after spending the summer on pasture owned by Doug Evans, near Buckhorn.

After being away from the cattle business for a number of years, Ron, who is employed by the Ministry of Environment in Dorset, teamed up with Doug to purchase a cow in calf, from the Ponderosa Ranch in Saskatchewan. Mr. T was born on the Reid farm in February of last year, and, after spending the rest of the winter in the Highlands,

was transferred south to Buckhorn.

He was entered in the competition at the Lindsay Fair this past fall. Ron attributes the animal's excellent showing because of his size and confirmation, the result of genetic development. He explained that because of the emphasis on red meat-high in protein and low in fat content--Herefords like Mr. T. are becoming more important to the industry.

The bull's full name is Buckslide (the name of the farm on which he was born), Mr. T-1T (T is the letter assigned to to the year 1985 by the Canadian Hereford Association), but the Reid family just call him Mr. T and so far, unlike his namesake, he is a very even tempered animal. He has also earned his keep since all five of Ron's heifers are due to calve in March.

Did you know?

by Suzanne Gilder

Did you know ... that in early February, 1986, photo licencing will become official in Ontario?

The program will be phased in over three years as current driver's licences come due for renewal. A new photo will be taken each time a licence is renewed, replaced or if the driver's name is changed.

You can have your photo taken at any ministry photo site ... and once you reach the counter it should only take about four to five minutes of your time. Photo sites will be located at driver examination centres and driver and vehicle licence issuing offices where you now go for your plate sticker.

The driver's signature which appears on the photo card provides protection against fraud. Since the photo card is laminated the signature can't be altered nor can the photo be

removed or substituted. This is an added advantage in recognizing the photo licence as a secure form of identification.

Please keep in mind that your County Information Centre is here to help people of all ages find solutions to problems and answers to

questions relating to social, health, governmental and environmental subjects. Why not drop in or give us a call at 457-2733, from 10 - 4 weekdays. Our office is located in the Drag River Municipal Building in Haliburton. Cardiff, Dorset and Kinmount residents may call collect.

Help your Heart Fund

around the county town

by Jeanne Sears. Call 286-1538

The community sends good wishes to Nell Miscio who is at Peterborough Civic Hospital for ear surgery.

There were draws made at the Figure Skating Club Christmas Party on December 18 - winners were Cabbage Patch Twins Fred Balcombe, Mouse (donated by Linda Shepstone) Janna Obee and Gingerbread House - Kerry Brezina.

Paul Davidson of Thornbury enjoyed a Christmas holiday with his parents, Mr. and Mrs. George Davidson.

Mrs. Minnie Eastman and Jack spent Christmas in Toronto with friends.

Please take note of the Free Movies at Minden Library Cultural Centre January 11 at 2:30 p.m. and January 25 at 2:30 p.m.

Don't forget the Agricultural Society Annual Dinner at the Fireside on January 15 at 6:30 p.m. Tickets are available at Mae's or The Times.

Mrs. Jim Beattie enjoyed a visit with friends and relatives over the holiday season.

The Gary Browns of Ajax spent last weekend with the Percy Browns.

Mrs. Lena Burton celebrated her 89th birthday at the Schnitzel House on December 30 with guests Alberta Maitland, Fred Martin, Mr. and Mrs. K. McConnell from Toronto and Jim and Helen Burton. On December 31st she enjoyed a party with her friends at Sunrise Apartments.

The lucky winners at Club 35 this week were: The door prize winner - Art Verban, most lone hands - Hal Burton, high man - again Art Verban, high lady - Shirley Bunker. Other prize winners were Jack Gregory, Darlene Crowder and again, Hal Burton.

Welcome to Russ and Lorraine King, long-time

cottagers on Denna Lake who are now permanent residents on Prince Street in Minden.

We saw a former resident, Florence Booth, and she has been visiting her family in our area.

Sincere sympathy to the families and friends of the late Art Hodgkinson, Harvey Fearrey (Haliburton) and Helen Brice who passed away since last week.

Paradox

They say old age is golden
But I fail to see the gold;
Because every winter morn-
ing

I shiver with the cold.
My corn has throbbled for
half the night

And I'm glad to see the
morning light.
But I have many blessings

A husband who is kind,
And lots of books and
magazines

To help improve my
mind.

A Church across the corner
Where I can go each week
To listen to our Pastor

And other blessings seek.
Two children who are
good to me

Some good friends that I
love,
And for these many mercies

I thank the Lord above.

Florence Robinson

Guests during the holi-
days with Jean and Cliff
Lacey included: Barb, Bob
and Bessie White of Sud-
bury; Jeanne and Mike
Cruikshank; Michelline
and Jim from Shelburne and
friend Claire Kelling of
Shelburne; Mike Bentley of
Ottawa; Wendy Lacey and
son Bill with children Dawn,
April and Jeremy of Shel-
burne; Joanne and Jim
Oatman and children
Joshua and Crystal of
Shelburne; Diane and Clare
Wright, Jesse and Cody of
Mississauga.

The Lioness Group are
having their first meeting
January 13 at 7:30 at the
Viceroy Cottage at the
Minden Valu-Mart yard.
All ladies are welcome, not
necessarily Lions Club
wives.

Women's Institute Meet-
ing will be at the Library
Cultural Centre on Wednes-
day, January 15 at 2 with
roll call - occasional card
(not stamped). All ladies
welcome.

Brian and Georgina
Kernohan have a new baby
girl, Meghan Amanda, who
arrived December 30th.

Another grandchild for
Vera and John Kernohan.

Christmas Day guests
with Cliff and Jean Lacey
were Jeunne and Jim Simp-
son and Carol and David
Lacey.

There will be euchre
games once again at St.
Paul's Parish Hall this
Thursday at 1:30 sharp.
Everyone welcome.

There were 5, \$100
winners at the last Rotary
bingo, not 4 as earlier
reported. The next Rotary
bingo is January 28.

Congratulations to Rock
and Beatrice Upton on the
arrival of baby boy Jeremy.
First New Year baby in
Peterborough County and
grandson of Al Upton.

Hint of the week: Want to
get the most out of your new
perfume, dab some on a
cotton ball and place in your
bra. Be careful it doesn't
touch your blouse, it might
stain. That's all for this time.
Keep smiling.

Carnarvon Christmas tradition continues

submitted

For the second year in a
row the community of Car-
narvon enjoyed a beautiful
Christmas Eve sleigh ride.
Children from 1 - 7 (we are
all children at this special
time of year), piled on the
double-length sleigh pulled
by Prince and Ned, a lively
pair of Belgian horses driven
by none other than our
Captain Carl and son Brian
Harrison, who do this with a
great "Community Spirit",
in that they ask no remunera-
tion.

Those participating met
at the home of Marg Har-
rison, from there they
proceeded out and around
the community, singing

Christmas Carols and
wishing one and all a very
Merry Christmas. Happy
residents along the way
threw open their doors to
greet the carolers as they

passed by. Upon completion
of the ride, Marg's home was
open to those who wished to
partake of the many "Christ-
mas goodies" and refresh-
ments.

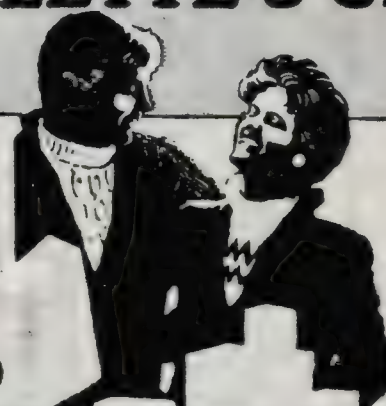

Although it was much
colder than the previous
year, more turned out for
the ride. Plans are already in
the making for next year, we
are looking forward to an
even larger one with more
surprises, so keep the date
open and make sure you're
ready to have a real old fash-
ioned Christmas sleigh ride.
See you next year.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for
you with a word list. Look in
the diagram of letters for the
words given in the list. Find
them by reading up, down,
forward, backward and
diagonally. They are all in a
straight line and do not skip
letters. Circle the words in
the diagram and cross it off
in the list.

It's as easy as that. Have
fun!

Q: If people from Boston
are called Bostonians and if
people from Mexico are
called Mexicans, what are
people on a greyhound bus
called?

A: Passengers.

Q: What word begins with
an E, ends with the same
letter, yet has only one letter
in it?

A: Envelope.

Sponsorship is pre-arranged by the
MINDEN KINSMEN CLUB

senior league

by Edna Cowan

Dear Readers:

Well, Christmas and New Year's have come and gone and now we settle down to enjoy or endure winter. I think everyone here at Hyland Crest had a pretty good holiday season with lots of visitors coming and going and those who are able going out for a few days with their friends and families.

We have two new residents, Mrs. Mary McKelvey and Mr. Bob Shaw. We hope their health will improve and they will enjoy their stay with us.

Mr. John Phillip's assistant minister, from Haliburton Anglican Church came Tuesday morning and took the chapel service.

Some folks went out with their families for New Year's. We all look forward to a good one and hope there is a little more sunshine in it.

Truman Wright came and called on his Aunt Lillie Hogg one evening.

Thursday the Minden ladies of Haliburton Legion brought in afternoon tea, which we enjoyed very much. We always enjoy visiting with the ladies as well as the "goodies" they bring.

Mr. and Mrs. Eldon Deacon and Jimmie Carrol came and called and helped with Bingo. There were quite a few folks out for it.

some got quite a few, others didn't, but we all enjoy it as it helps to pass the evening.

Doris has been on holidays this week, so Linda showed us the movies, which were good. "The Good Tree" and "The Drummer Boy". We enjoyed them.

We had lots of company in over the weekend and everyone was glad to see them all.

Millie Wood had her daughter Joyce in for supper with her Sunday evening.

Clara Coulter had her sister and brother-in-law, Mr. and Mrs. Cliff Barry and also Mrs. Maud Coulter to visit her Sunday afternoon.

We sure have lots of snow and more called for they say. If we don't get a thaw I don't know where we are going to put it all.

Our sincere sympathy to the family and many friends of Mr. Art Hodgkinson who passed away last week.

Best wishes for a speedy recovery to Harry Cowan who is in Minden hospital and also Dr. Harry Good in Peterborough Civic. We are all thinking of you and hope you will be out around again soon.

Well folks, I think this is all for this week. Be back to normal again now with no holidays in the middle of the week. Bye for now. Have a care.

Volunteers are vital

by Donna Bailey

Volunteers - our organization depends upon them to carry out the programs which Home Support offers to seniors and disabled persons throughout Haliburton County. Programs which include: Meals on Wheels, Transportation, Home Help, Wheels to Meals, Fone-a-Friend and Friendly Visiting.

To all our volunteers "thank you".

If you are interested in becoming a volunteer, we would love to have you join us. Contact our office at 457-2941 or drop in to our office located in the Drag River Municipal Building opposite Emmerson Lumber. Choose your hours you give and what programs (whether for the Home Support programs or as a host hostess in the Drop-In Centre) you want to volunteer for and grow as a person as you give. Your work will benefit those that

need it and you may find the greatest beneficiary of all is you, the giver.

Our January 17 meeting has been designated "volunteers' day". It will be held at the PineStone Inn, commencing with a full course roast beef dinner for \$6.25 per person at 12 noon. Our guest speaker will be Cheri Russell, Activation Coordinator for Extendicare. Dinner reservations are required by January 10. Please phone our office at 457-2941 for dinner reservations.

If you wish to come to hear our guest speaker only and or attend the business portion of our meeting, please plan to be at the PineStone at 1:00 p.m. Plan to attend and bring a friend. Everyone is welcome.

Participation - Swimming for Seniors again will be held at Locarno-on-the-Lake Wednesday afternoons from 1:00 - 4:00 p.m. beginning January 8 continuing until March 12. The

cost is \$35.00 per person. To register for the swimming, please contact Locarno-on-the-Lake at 457-2012.

A free seniors aquacise course will be included thanks to Vicki Ross who has kindly volunteered to

teach it. Vicki informed me that each participant will need two javex sized plastic bottles. For more information, please contact the Home Support office at 457-2941.

Happy New Year.

AT REST

HODGKINSON Arthur

- at Minden on Thursday, January 2, 1986 in his 81st year, beloved husband of the late Reta Hodgkinson, dear father of Yvonne (Mrs. Don Nye) and Carol (Mrs. Ken Cox) both of Minden, loving grandfather of Arthur and Nancy Nye, Christina and Katie Cox, loving uncle of Bill and Mabel Howe. Resting at the Gordon A. Monk Funeral Home from 2-4 and 7-9:30 p.m. Sunday. Funeral service in the chapel on Monday, January 6th at 11:00 a.m. Spring interment Minden Cemetery. Memorial donations to the Minden Hospital or the charity of your choice would be appreciated.

CARD OF THANKS

The Minden Figure Skating Club would like to thank Linda Shepstone for donating the giant stuffed animal and Louise Leonard for making and donating the gingerbread house for fund raising purposes. The winners of the draws were, Janna Obce for the stuffed toy, Kerry Brezina for the gingerbread house and Fred Balcombe for the cabbage patch twins. Thank you to everyone who supported our cause and to Santa for taking time to attend our party when we knew how busy he was that week.

Thank you, Minden. On behalf of the Scarborough Hockey Team, Bob's Brew Jays, we would like to thank Minden Hockey Association for a great tournament. It was our pleasure to meet so many good people in one place.

Bob McMurter & Bill Rooney

IN MEMORIAM

REYNOLDS: Larry. In loving memory of Larry who passed away December 14, 1975.

It only takes a little space to write how much we miss you But it will take the rest of our life to forget the night we lost you.

You were someone special Larry, you were a son, a husband, a brother and a daddy. Please God, give him a message. Tell him we miss him more every day.

In loving memory of all the family.
